30% off Punch & Cookie Club Kits (punch-needle)

Block A Month

Begins in February

Let's start by getting the 2009 block a month out of the way! Did you take the 2009 class? We'd love to see what you've got done so far, and we're even going to reward you for your progress! Bring your project in for all to see between 5-7 on Feb. 18th. If your project is completely finished you will get 25% off any regular priced fabrics purchased that evening. If you have just the top complete your discount is 15%, and if you still have more than that to go you'll get a 10% discount.

Now for 2010! This class is awesome for someone with very little experience as well as a seasoned quilter! Class will be held the 3rd Thurs. of every month from 7-9 p.m. or morning from 9-11 the Tues. of that same week.

Cost is \$65 or \$35 at sign up and \$35 in March.

- OPTION #1 - Old Glory is a project that resembles a flag. It is made using 6" blocks
- OPTION #2 - Same blocks as Old Glory, but it does not resemble a flag, is made using 12" blocks & can be made as a lap quilt or queen size. Ours is a 2 color quilt, but feel free to mix it up to fit your taste!

Block A Month
3 great options

Block A Month Option #3

This project is from our Civil War March 3X6 pattern. Sound familiar? The larger version was our block a month for 2009. For eight months we will include the pattern & fabrics to complete a row (even the setting triangles) for \$18.00. We'd be happy to ship to you for an additional \$4. The final month will be sashing, border & binding for \$24.00 (\$5 to ship). The final month is optional—that way you can choose your own fabrics for this last step if you'd like. Packets can be picked up or will be mailed the 20th of each month. At sign up you will pay for the first two months. Each month you pick up a packet (or it is sent to you) you will pay for the next. Those wanting theirs shipped will be required to leave a credit card number—payment will be taken care of that way.

Classes

BEGINNERS—Have you always wanted to learn how to make beautiful quilting projects, no better time than now to start. This class covers everything from rotary cutting to binding, in a project small enough you'll be able to finish. This class will be four sessions long. Only the first class date is listed—the following dates will be determined by the class participants.

February 25 6-9 \$45 includes pattern but other supplies will be needed

Instructor: Jill Shaulis

HAPPY HOLIDAYS TABLE TOPPER—Great table topper for any time of the year. Unique construction makes this pattern far easier than it appears! Choose from three sizes.

February 28 3-6 \$15 + pattern

Instructor: Jill Shaulis

ENGLISH PAPER PIECING—What a great take along project! These hand pieced hexagons go together quickly and much easier than one would think. We'll get you started then let your imagination run wild!

March 16 5:30-7 \$10 some items will be supplied

Instructor: Jill Shaulis

GORDIAN KNOT—an old fable about a knot that has no end and no beginning. A three color choice, easily pieced, excellent directions. A must see sample. While Janet says this class is geared for intermediate to expert quilters, beginners shouldn't necessarily shy away—this was the first quilt class Janet took!

March 20 9-3 \$25. + book

Instructor: Janet Townsend

This is Janet's first time teaching for us—please welcome her by taking her class!

CHARM PACK MACHINE QUILTING—Suitable for the beginning machine quilter or those with some experience. Before class, you will piece together the 5" blocks from a charm pack, to be quilted in this hands-on workshop. Each block can be quilted differently, as we will cover many different quilting methods, both free-motion and with a walking foot. Various marking & non-marking methods will be discussed, along with preparing the layers to quilt. Finished project can be used as a table runner, dresser topper, baby quilt, etc.

March 21 12:30-4:30 p.m. \$25 – includes pattern for charm squares & quilting pattern examples

Instructor: Janet Graves

Classes cont.

MERRY GO ROUND—Don't let the 60° angle scare you—they aren't difficult at all. No Y or set in seams! Choose from the smaller or larger version. Also cute in baby fabrics!

April 8 6-9 \$15 + pattern

Instructor: Jill Shaulis

PAPER PIECING—Learn the basics of paper piecing by creating a beautiful pineapple block that could be framed or added to for a larger project.

May 4 6-8 \$12—includes pattern

Instructor: Jill Shaulis

Things to look forward to!

Barn Show! Mother Nature wasn't very nice to us last June for our first ever Barn Show featuring quilts displayed on the side of a gorgeous old barn just outside of Lanark. Although the rains were steady all day we were able to keep the quilts on the barn for the few brave souls that ventured out (check out the pictures on our web-site!). We're hoping for a bright sunny day on July 10th to give it another try. So mark your calendar! The show will be from 10-4 pretty much come rain or shine (if you are unsure please give the shop a call prior to traveling). A lunch stand will be available, as well as a few craft vendors & possibly a few other surprises! The address is 11570 Stone Bridge Road, Lanark, IL. Cost: \$4 for driver, \$2 for each person in the vehicle (age 11 & under free)

Bus Hop! This was a great time for everyone, so of course we are planning another one! Although a date has not been set yet, we're thinking it will be held in Oct. once again. If you missed the information about the last one, let me wet your appetite with a few details of how it works. Approximately eight shops will be involved. Each shop will be trying to fill a charter bus with their customers. Each bus will leave from their 'home' shop traveling in a rotation to all the other participating shops. Each bus will have about an hour and a half to shop at each shop. Each shop will supply either snacks or a meal (depending on your designated time of arrival). After visiting four shops your driver will take you to a motel for the evening. The next day takes you to the remaining four shops. At the end of day two you'll be dropped off at your 'home' shop. So much fun was had by those that attended last time & just as they were, you'll be pleasantly surprised that all of this fun is offered to you at a lost cost of approximately \$120! That's right—charter bus, motel stay, all your meals are included!

Quilt Shop Hop! Mark the dates for this annual event that's always a favorite. Nov. 5-6, 12-13. All shops will be open from 9-5. Look for a couple new shops to be added to the 'circuit'!
